

March 10, 2026

Dear Friends:

This year, we are excited to announce the **5th Annual Forest Lions Foundation Golf Tournament on Saturday, September 19, 2026 with a 1:30 pm Shotgun start.** This year we are once again partnering with Colonial Hills Golf Club, where you will have a front row view of the Peaks of Otter in the fall! With your help, over the last four years with the tournament, we have raised over \$50,000 to support our community.

We have served the Forest Community for over 50 years, and members of the Forest Lions Club have given freely of their time and talents to support humanitarian projects, youth programs, and other initiatives that improve the lives of those in our local and global community. All proceeds for the Forest Lions Foundation Golf Tournament will support scholarships for local high school seniors, aid organizations fighting hunger, and help continue our efforts to support the blind and visually impaired. Our latest project is a partnership with the ROC Solid Foundation to build a playground set for a local pediatric cancer patient.

We are asking for your support today. Sponsor a team, a tee, a green or donate prizes. All sponsors are recognized on our website. To register a team or to find more information about our tournament and our club, please visit our website at:
